

IAC VISITING SCHOLAR

The UCLA Institute of American Cultures (IAC) offers in-residence appointments to support research on African Americans, American Indians, Asian Americans, and Chicanas/os studies. We especially encourage applications that advance our understanding of new social and cultural realities occasioned by the dramatic population shifts of recent decades, including greater heterogeneity within ethnic groups and increased interethnic contact. Visiting Scholar appointments are for persons who currently hold a permanent academic appointment.

IAC VISITING SCHOLAR

APPLICATION INSTRUCTIONS

ELIGIBILITY

Applicants must be U.S. citizens or permanent residents and hold a Ph.D. from an accredited college or university (or, in the case of the arts, an appropriate terminal degree) in a relevant field at the time of appointment. **UCLA faculty, staff, and currently enrolled students are not eligible to apply.**

FUNDS AND ALLOWANCES

IAC Visiting Scholars will receive funding for one or more quarters, with a maximum of \$35,000.00 for three quarters (contingent upon rank, experience, and date of completion of their terminal degree). In the event that an award is for less than three quarters the funds will be prorated in accordance with the actual length of the award. For Visiting Scholars, these funds can be used to supplement sabbatical support for a total that does not exceed the candidate's current institutional salary. Visiting Scholars will be paid through their home institutions and will be expected to continue their health benefits through those sources. Awardees may receive up to \$4,000.00 in research support (through reimbursement of research expenses).

CONDITIONS OF APPOINTMENT

Appointments are for a 9-month period beginning on October 1. IAC Visiting Scholars are to be in residence during their tenure and to make a contribution to the research activities of the sponsoring Ethnic Studies Research Center. Each Visiting Scholar is expected to devote full time to study and research and accept no other form of employment. In some cases Visiting Scholars may hold another fellowship award concurrently. They must inform the IAC Office of other awards to determine those conditions and for approval.

APPLICATION PROCEDURES

All applications and supplementary materials will only be accepted via the online application process. Applicants with questions are encouraged to contact the IAC Coordinator of the appropriate Ethnic Studies Research Center prior to submitting the application. Only complete applications will be considered.

 Applicants will be notified of award decisions in April.
